## DETAILED ACTION

### *Amendment*

1. Receipt is acknowledged of the amendment after final filed on September 1, 2005. In the  
5 amendment claims 1-6, 8-10, and 16-20 were canceled, and claims 7 and 11-1<sup>3</sup>~~6~~<sup>AK</sup> were amended.  
Currently, claims 7 and 11-15 remain for examination.

### *Allowable Subject Matter*

2. Claims 7 and 11-15 are allowed.
- 10 3. The following is a statement of reasons for the indication of allowable subject matter: the  
claims are directed at a transponder moveably implanted into a pocket on a spindle sleeve. As  
disclosed in previously cited reference to Aslam, Epstein and Kleinfelter, a data system  
comprising an elastomeric product is well known in the art. However, the references, taken  
alone or in combination, fail to suggest or teach a particular structure wherein the sleeve  
15 comprises a sealable pocket bondable to the elastomeric body. The structure further discloses a  
toothed profile as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the  
payment of the issue fee and, to avoid processing delays, should preferably accompany the issue  
fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for  
20 Allowance."
